

A QCNN for Quantum State Preparation

Carnegie Vacation Scholarship

David Amorim

Week 6
(05/08/2024 - 14/08/2024)

change ctrl state? look into WILL again (lol)?

CALCULATE DATA AGAIN ...

add plotting into command-line tool ; combine amplitude and phase
command-line tools

Wrong placement of norm in definition of SAM and WIM (just on slides, not in code)
mismatch previously without phases... explains some results ?
... sign error
